PPS LLC will act as a service bureau for the processing of Preferred Electronic Refund Check (PERC) / Preferred Electronic Refund Transfer (PERT) payments. PPS LLC will be responsible for electronically accepting properly formatted identifiable electronic tax refunds from the IRS and/or other taxing entities into special use account, separating fees as structured in the PPS LLC customer agreement, providing online access for Firm to print checks and/or effecting Electronic Fund Transfer to facilitate distribution of net funds to taxpayers and net Firm fees (Firm Fees - PPS LLC fees) to Firm.

Subject to the terms and conditions of this Agreement, **PPS LLC grants to the Firm the a nonexclusive license to use the PPS LLC online interface** to communicate as intended with the PPS Server Software solely for the purposes of processing PERCs/PERTs through PPS LLC, properly distributing resultant funds, and accessing corresponding records for Firm and their clients.

Firm agrees to file tax returns for clients desiring PPS LLC PERC/PERT using PPS LLC specified RTN and Account Format. Firm agrees to **comply with all IRS and other applicable regulations** regarding PERCs/PERTs, including Federal, State, and Local laws regarding business registration and reporting requirements (if required), handling of PERCs and PERTs, and contract and posting disclosure requirements (if any). Firm agrees to charge the same PERC/PERT fee for each taxpayer choosing a PERC/PERT through PPS LLC as required by law. *Other fees i.e. tax preparation, etc. may vary.*

Firm agrees to obtain a completed PPS LLC agreement signed by the taxpayer (authorizing our handling of taxpayer funds) prior to filing the taxpayer's tax return directing client electronic fund transfer into special use account as per PERC/PERT processing requirements. Firm agrees to retain a copy of said contract for the greater of 3 years or the period required by law. Firm agrees to provide any/all of these contracts to PPS LLC's business location in a timely manner if/when requested by PPS LLC.

Firm agrees to advise and notify all taxpayers that tax preparers, electronic filers, and Firm are independent contractors, **not agents** of PPS LLC and do not have authority to act on behalf of PPS LLC and to notify same and that PPS LLC and Depository Fiduciary Institution(s) used by PPS LLC to house taxpayer funds have not and do not offer any tax advise.

Firm acknowledges that **PPS LLC does NOT process loans. And, for all data entry for processing by PPS LLC, Firm agrees not to include any fees associated with loans (i.e. principal and/or interest re-payment and/or any other loan associated fees).**

Firm agrees that Firm will not use a Firm account as the receiving account for a taxpayer's Preferred Electronic Refund Transfer (PERT) unless the taxpayer for the corresponding tax return is the Firm owner.

Firm agrees to use IRS form 8888 for high refund taxpayer(s) to split refund directing funds over \$15,000.00 to account owned by corresponding taxpayer(s) so that PPS LLC does not receive more than \$15,000 for any individual taxpayer (and taxpayer spouse if any) for each individual tax year(s).

Firm agrees that **if total taxpayer fees for a given taxpayer and spouse (if any) exceed \$400.00**, then corresponding location fees can be **withheld pending receipt of said taxpayer contract** via fax or via mail. An "800" number is provided for faxing of contracts. Firm agrees not to submit to PPS LLC the following fees as part or all of the total taxpayer fees: 1. any fees not authorized by law, 2. immigration assistance fees.

Firm agrees to indemnify PPS LLC for **return of any any taxpayer's remaining funds including firm's fees** to taxing agency. This action may be required by law in case of suspected or proven fraud, suspension or termination of processing, and/or failure of the firm to honor this processing agreement. (Refund balances may also be returned if requested by government or the taxpayer(s) or if not received by the taxpayer(s) in a reasonable time-frame.)

Firm agrees to **verify taxpayer identities** when dispensing checks and agrees that this is Firm's sole responsibility. Firm agrees to **prevent unauthorized use of blank check stock** distributed to Firm to allow PERC check printing. Firm agrees to **void duplicated checks** whenever possible to prevent them from being cashed when printing subsequent checks on the same funds (for any reason i.e. stale check dates on old checks, misprints, etc.). Firm agrees that it is liable to PPS LLC for all overpayment and for all other damages associated with cost of recovery of overpayment associated with **duplicated distribution of taxpayer refunds** in the form of **re-printed checks** that Firm requests or in the form of electronic fund transfers to replace printed checks that at some point get cashed. Firm agrees that said funds and associated costs **may be recovered by PPS LLC from Firm** in the form of deductions from fees or by other means. Firm agrees to return unused check stock IF REQUESTED by PPS LLC. Firm agrees to **guard its logons and passwords** to prevent them from being used for unauthorized access to PPS LLC software and servers.

Registration requires SIGNED CONTRACT.

Firm agrees to PPS LLC pricing as outlined below and authorizes PPS LLC fees to be deducted. These are net prices to the Firm. PPS LLC does not dictate the fee that Firm charges taxpayers.

PERC/PERT - Net Prices to Firm
as the result of Instant Rebates and Year-end Rebates.

Additional PERCs/PERTs on the same social will have an additional fee of \$8.00. Fees for additional PERCs/PERTs on the same social will be applied to taxpayer checks or EFTs (not to Firm fees.)

Number of Socials Obtaining PPS LLC PERCs/PERTs	Net Price
1-100	\$19.00
101-300	\$17.00
301-500	\$16.00
501-600	\$15.50
601-1000	\$15.00
1001-2000	\$14.00

Based on our experience with the Firm, PPS LLC has the option to apply an instantaneous rebate based on Firm's previous year's volume to produce an instantaneous price lower than \$19.00. If during the year the Firm reaches a lower pricing level based on the volume pricing table on the left, then PPS LLC will provide a year-end rebate which results in a net price for the total year's volume corresponding with that shown in the table (left). The yearly volume discount rate calculation is based on volume from Jan - Oct 1. (About 99.5% of our yearly volume is complete in the rating period). Data entry into our system is normally allowed year-long from Jan 1 – Dec 31.

example: Our rate including all rebates for a volume of 520 is \$15.50. (That corresponds to a rebate of \$16.50 applied to a \$32.00 price.)

Note: Please process only expected refunds of more than \$25.00 through us. Please file any extremely small refunds to be sent directly to the taxpayer. i.e. (state refunds if they are less than 25.00)

There is a \$13.00 fee to firm for each check which is distributed by the ERO and clears the bank with an incorrect check number and/or for any check number which is entered in system more than once by Firm. **This fee does not apply to normal reprints** i.e. checks without duplicated numbers and/or checks which do not clear the bank with incorrect check numbers.

There is a \$29 stop payment fee for any PPS LLC check that must be re-printed if the original check is lost stolen, or destroyed and cannot be recovered for disposal. This fee will be applied to taxpayer distributions or Firm fees as appropriate. Stop payment fees are not charged when merely reprinting misprinted checks. Other fees may apply as follows if corrections are necessary after deposits and matching occur: i.e. \$13.00 per correction and re-submission of returned Electronic Fund Transfer, \$13.00 per re-processing with conversion of check to EFT or EFT to check. There will be a fee of shipping costs plus \$20 if rush shipment (i.e. overnight etc) is requested by the Firm. (Otherwise all shipment is covered by the initial \$13.45/yr fee.)

Firm has _____ additional branch offices. A list with the branch's EFIN number, office address, phone number, and contact person is attached to this agreement. Each branch is subject to the same terms and conditions of this agreement. In lieu of any commissions on branch offices, PPS LLC agrees to **consolidate volume for Firm's branch offices** when calculating rebates to achieve net price based on volume. The parties agree to the following:

This agreement including attached schedules ("additional terms and conditions" and "branch efins") constitutes the only agreement between the parties and all prior negotiations, agreements, and understandings, whether oral or written are therefore superseded. Any other processing agreements between PPS LLC and Firm shall not affect the terms of this agreement. No modification or amendment of this agreement shall be effective unless in writing and signed by all parties.

I certify that I am a principal or partner in Firm indicated above and that I am authorized to sign this Agreement on its behalf. I authorize the credit checks and the background check(s) necessary for processing of these fund transfers.

IN WITNESS WHEREAS, PPS LLC AND FIRM have caused this Agreement to be duly executed.

Termination refers specifically to the submission of new accounts and does not preclude a choice by PPS LLC's choice to continue supporting Firm for "in process" taxpayers (those whose tax returns have been already submitted with an account number intended to cause PPS LLC processing). Termination similarly does not preclude PPS LLC's right to continue support "in process" taxpayers or their representatives.

Confidentiality: Firm, its employees and agents shall treat as confidential all information that comes to its attention in the performance of its duties under this agreement and shall utilize such information only for the duties and obligations contained herein, for the purpose of improving processing, or as required by law or industry regulation.

Remedies: PPS LLC reserves the right to suspend its performance or terminate this agreement including its obligation to provide online access to previously transmitted tax refund records if Firm has violated this agreement or Federal, state, NACHA, local or other regulations regarding but not limited to tax filing, fund transfers or consumer protection. PPS LLC shall have the right to offset amounts due the Firm with any amounts due PPS LLC. PPS LLC's continuation of performance, thereafter shall not constitute a waiver of any of PPS LLC's rights under this agreement and the rights contained in this paragraph shall be in addition to any other remedies at law or equity.

Notices: As except as otherwise provided in this agreement, any notice required or given under this agreement shall be in writing and shall be deemed valid within 48-hours after deposit in United States mail, postage prepaid, or if other means of notification upon actual receipt of delivery. All notices shall be addressed and delivered to the appropriate party at the addresses appearing in this agreement, or as the same may be changed in writing by either party in accordance with this paragraph.
